MIAMI FT LAUDERDALE

WHAT:

OUTshine LGBTQ+ Film Festival is a critically acclaimed flagship South Florida event that has produced **42** festival editions! **The Spring Edition** in April, is in its **27th** year, and **The Fall Edition** in October, is in its **17th** year, and are now all under one umbrella, the **OUTshine LGBTQ+ Film Festival**.

Both film festivals are renowned for their program of feature length films, documentaries, and short films by, about, and of interest to the lesbian, gay, bisexual, transgender and Queer (LGBTQ+) communities. Miami has a strong focus on Latin America, international and foreign language films, as well as a strong Latin American audience. Fort Lauderdale features many American independent films. Both festivals feature unique programming with very little overlap between the two.

Throughout the year, the organization also offers it's (very social) **Cocktails & Cinema™ Series** in Miami, and Fort Lauderdale, as a monthly screening series for 3-months leading up to each festival both in person and virtually with **OUTshine At-Home™**. As well as offering its members advanced screenings and discounts to upcoming new release films with distribution partners.

OUTshine is known for their spectacular Opening Night Film and Party Event and Closing Night Film and Awards Ceremony. For **2025**, Miami & Fort Lauderdale festivals are currently planned to be presented in-person along with offering a virtual-component following the festival with a selection of the program will available online throughout Florida with **OUTshine At Home™**.

**COCKTAILS
& CINEMA** 🍷🍷

WHY:

OUTshine offers a unique way to “literally and repeatedly” get **IN FRONT** of your audience in cool locations that work with the **CHIC** vibe of Miami. **OUTshine was created to entertain, educate, and inspire film-loving audiences of all persuasions by presenting the best of emerging international, national, and local LGBTQ+ oriented films to South Florida.** We strive to enrich our audiences while encouraging a sense of community by presenting international and culturally diverse films that offer historical and contemporary perspectives on the LGBTQ+ experience.
